Children under 8 years of age do not have playing privileges. Children under 12 years of age shall play only when accompanied by an adult.

## RULES OF PLAY

The Golf Professional and/or the golf shop staff have been appointed by the Board to enforce these rules at all times. It is the Member's responsibility to see that the dress and behavior of their guests and Immediate Family are consistent with the rules applicable to the Club Members.

Junior Members are not eligible to play in Invitational, Men's Spring and Fall Championship, Men's Opener, President's Cup, Guest Day, or Member/Member. Club Events and Tournaments, Ladies 18-Hole and 9-Hole Leagues, and Junior Golf have priority over open play. Incorrect charges for club care, handicap, guest fees, cart charges, merchandise purchases or lessons must be reconciled through the Golf Shop.

## RULES OF PLAY CONT...

All Golf Shop Credit expires on December 31st in the year it was won. Sorry, there can be no exceptions.

Members from other clubs may be extended the courtesy of playing Naperville Country Club (Club) at the request of their golf professional.

All Members must register their guests by name in the Golf Shop prior to starting play.

Players are not permitted to start playing on #10 tee without permission from the Golf Professional. Players stopping for refreshments relinquish the right of way.

On Saturdays, Sundays, and holidays, Spouses, Junior Members and guests are not permitted to tee off on #10 until the last group of Members, registered for a starting time at the Golf Shop, have cleared the #10 tee.

Any group with one hole open will permit the following group to play through. Proper etiquette suggests the following group be invited to play through; however, if the invitation is not forthcoming, the players being held up may request they be allowed to play through. The slower group must accede to this request. The Golf Captain will adjudicate grievances.

Matches containing more than four players must receive permission from the Professional Staff before teeing off. All participants must ride in a cart for the duration of the round.

All players are responsible for posting eligible 9 and 18 hole scores.

Handicaps are based on the USGA system.

The Golf Course Superintendent has full authority to close the golf course any time he believes play will be detrimental to the course.

Penalty areas are defined by RED stakes or lines.

No Play Zones (NPZ) - formerly Environmentally Sensitive Areas (ESA) are defined by RED stakes with GREEN tops. Entry into these areas is not permitted.

All member outings are subject to other guest restrictions.

Appropriate guest fees apply in all cases.

Guests must be accompanied by the sponsoring Member, unless prior arrangements have been made with the General Manager or Golf Professional.

Immediate Family Guest Rounds Limited to 15 rounds per season with Family Guest Fee. After 15 rounds, the family guest is required to pay Regular Guest Fee.

## RULES GOVERNING SEVERE WEATHER

---

A sophisticated lightning "detection" system has been installed at the Club for the protection of the Members, their families and guests. The horn blown continuously for 15 seconds indicates a high probability of lightning striking within a 2 mile radius. **All players must leave the course, putting green and range when this horn sounds and are not permitted to return to the course, putting green or range until the all clear sounds.** The "all clear" signal is a series of three short horn blasts for five seconds each. This all clear is sounded automatically by the weather system.

The Golf Committee will at all times cancel Club events only if the course becomes unfit for play. The fact that there are no golf carts permitted on the course due to inclement weather does not necessarily mean that the course is unfit for play. Tournament refunds will be at the discretion of the General Manager or Golf Professional.

## RULES GOVERNING HARRASSMENT

---

Naperville Country Club is committed to maintaining an environment that is free of unlawful harassment. In keeping with that commitment, the Club will not tolerate harassment of Members, Immediate Family, guests or employees by anyone, including any supervisor, co-worker, vendor, Member or guest of Member or the Club itself. Unlawful harassment consists of unwelcomed conduct, or that which creates an intimidating or offensive environment, and may include making unwelcome comments about a person's clothing, body or personal life style; offensive or abusive physical contact; use of offensive nicknames or terms of endearment; offensive jokes or unwelcome innuendoes; any suggestion that sexual activities, race, gender, religion, national origin, age, disability, sexual orientation, marital status, or any other protected classification would affect one's job, promotion, performance evaluation, or working conditions; displaying or circulation of offensive objects, pictures, literature, or Internet web sites; and other conduct that, even if not offensive to some employees, creates a working environment that may be considered by others to be offensive or hostile.

All Club Members and employees are responsible for helping to assure that harassment is avoided. If you feel that you have experienced or witnessed harassment, you are required to notify the General Manager, House Chairman or Club President immediately. The Club forbids retaliation against anyone who has reported harassment.

## RULES GOVERNING CONFLICT OF INTEREST

---

It is the Club's policy not to purchase from, sell to, or otherwise transfer goods or services from or to a Member, employee, or to a person or entity directly or indirectly affiliated with a Member or employee.

## RULES GOVERNING CONFLICT OF INTEREST CONT...

However, when it appears that it is in the Club's best interest to make such a purchase, sale or transfer, and a Member or employee is affiliated with a person or entity seeking to do business with the Club; the matter shall be brought to the Board of Directors for approval. The identity of the Member shall be disclosed, and no Director who is affiliated with the person or entity offering goods or services shall participate in the discussion or vote on the proposed transaction.

Each Director and each senior staff employee will execute an annual Disclosure Statement within 30 days following the Club's Annual Meeting describing all of the above proposed or actual transactions which they or their affiliates have engaged in with the Club during the 12 months preceding the Statement. If there have been no such transactions, the Disclosure Statement will so indicate.

## RULES GOVERNING FIREARMS

---

As posted at each entryway, Naperville Country Club prohibits all persons who enter Club property from carrying a handgun, firearm, or weapon of any kind onto the property regardless of whether the person is licensed to carry a concealed handgun. This policy applies to all Members, guests, employees, vendors and contractors on Club property, whether or not they are licensed to carry a concealed handgun. The only exceptions to this policy are law enforcement officers.

## GOLF ETIQUETTE POLICY

---

All players are expected to conduct themselves appropriately on the golf course.

Repair their own ball mark and one other on every green.

## GOLF ETIQUETTE POLICY CONT...

See that sand bunkers are properly raked. Smooth out footprints or holes in sand bunkers with the rakes provided. Leave rakes inside bunkers.

Sand bunkers should be entered from the low side and exited from the same point of entry.

Repair and replace all divots on the tees and fairways.

Practice should be confined to the designated practice areas. Repetitively hitting from the same location on the course is prohibited.

Divots on the practice tee should be taken in a line rather than scattering divots.

Confine cart traffic to designated cart paths and obey all cart signs and roped areas. Avoid driving on green banks and tee banks. No carts on greens or tees.

Do not roll hand carts across any part of the green (including aprons), tees or sand bunkers.

Help keep the course clean. Use the containers provided.

While it is usually the task of the caddie to perform these duties, it is the sole responsibility of the golfer to see that they are completed properly.

## CADDIE POLICY

---

Caddies are encouraged at the Club and are a vital part of the NCC experience. In keeping with this philosophy, at least one caddie is recommended to be in each group on Saturday, Sunday, and Holiday mornings (policy based on caddie availability).

Golf cars will respect all ropes and directional signs.

Operators will set the parking brake whenever exiting the golf car.

"Make your own path" – avoid driving in trafficked areas made by other golf cars.

Golf cars will avoid wet areas, side slopes and where turf is wilted.

Golf car traffic will scatter at the entrance and exit of all cart paths.

Park golf cars with all four wheels on cart path.

Avoid low hanging tree limbs and other obstacles.

Golf cars are rented on a first-come-first-serve basis when available.

Any cosmetic or mechanical damage to a golf car will be the responsibility of the Member or operator.

Members are responsible for golf car usage of their guests.

These same regulations apply to all motorized riding vehicles (Segways, hover carts, etc.).

## GOLF CAR POLICY CONT...

Daily golf car availability is the decision of the Golf Course Superintendent.

Members are strictly responsible for their guests' and their own safe operation of the golf cars so as not to interfere with fellow players' enjoyment of the game, and at all times guarding against injury to persons or damage to property, especially the playing surfaces of the golf course.

Each Member (and sponsoring Member if the golf car user is the guest or Immediate Family of a Member) agrees to indemnify and hold the Club, its officers, directors and employees, harmless from any and all injury, damage or claims of any nature whatsoever whether to person, property, or both, that may arise out of, or result from or through the use of a golf car by that Member, the Member's Immediate Family or guest. All Members and their guests are required to obey all golf car signs on the course and displayed in the golf car itself.

The Club assumes no responsibility for injury or damage caused by golf cars. Only food, beverages and coolers purchased from the Club will be allowed in the golf cars. All players agree to pay or reimburse the Club for any and all charges arising out of or breakages, shortages or damages to the golf car other than ordinary wear and tear. The golf car operator (and sponsoring Member if the operator is the Immediate Family or guest of a Member) agrees to defend, indemnify and hold the Club, its officers, directors and employees, agents harmless from any and all claims for injury, damage of any nature whatsoever whether to person, property, or both, that may arise out of, or result from or through the use of the golf car by the person operating the golf car, excepting only such injury or damage which solely and proximately results from the negligence or willful or wanton act of a Club Director, Officer, employee or agent or the golf car's manufacturer. Enforcement of the golf car rules shall be the responsibility of all Members, the Golf Professional, and staff. Violations shall be reported to the Golf Professional's staff and/or General Manager. Violations will be addressed according to the Club's Disciplinary Procedure. Both the operator and the passenger, if a Member, may be sanctioned for violations.

## SPECIAL ACCESS PROGRAM

Golfers with physical limitations, who need to drive their golf car closer to tees and greens than afforded by the cart paths, can request a special access permit at any time during the golf season.

Valid permit holders will receive a special flag (w/NCC logo) to attach to their carts during the golf season. Special Access permit holders will keep carts a minimum of 10 yards from all greens.

The Pro Shop staff will administer the Special Access Program.

*Special Access Program* permits will be granted to any golfer presenting either a letter from their physician stating their physical limitations and need for a Special Access permit OR a valid State of Illinois handicapped parking permit.

A Special Access Program permit can be used for the entire golf season, and must be renewed at the beginning of each new golf season.

## CELL PHONE & ELECTRONIC DEVICE POLICY

---
